

EUROfase

2025
INTRODUCTION

STRIKING A NEW PARTNERSHIP

Quintiesse are delighted to partner with Eurofase, a premium and well respected Canadian brand.

Eurofase is more than just a lighting company; they are a partner in creating beautifully illuminated spaces that enhance the quality of life.

Their commitment to excellence and modernist design innovation combined with their Canadian heritage, sets them apart in the industry, making them the preferred choice for those who seek the best in contemporary lighting solutions.

EUROfase

QUINTIESSE®

SERAPH CHANDELIER
QN-SERAPH-LP-L-BG

DESIGN VISION

Creativity (forward thinking), **originality** (individuality), **influence** (social and environmental), and **excellence** (quality), are the key design values of Eurofase.

These concepts support a perspective that shapes and symbolises the fusion of lifestyle, luxury and timelessness.

BLAKLEY WALL LIGHT
QN-BLAKLEY-L-BG

EUROFASE: A COMMITMENT TO EXCELLENCE

Eurofase, a distinguished leader in the lighting industry is renowned for their commitment to excellence, innovative solutions, and luxurious designs. Founded in 1989 by Joe and Jack Bitton, Eurofase has established itself as a premium Canadian brand, delivering high-quality, stylish lighting solutions to discerning clients throughout North America.

Their Canadian heritage is a vital part of their identity, driving their commitment to quality, craftsmanship, and innovation. Being part of this vibrant and diverse community inspires them to create lighting solutions that reflect the beauty and sophistication of their surroundings.

The selection of models in this catalogue have been chosen to bring the best of Eurofase to markets that require 240v, through their partnership with Quintiesse.

THE MISSION

At Eurofase, their mission is to enhance spaces with elegance and sophistication, enhancing the beauty and functionality of every environment they touch. They strive to exceed the expectations of their clients, partners, and associates through meticulous craftsmanship, innovative designs, and unparalleled service.

THE VISION

Eurofase envisions a world where lighting transcends functionality to become an integral part of design and lifestyle. They aim to be the preferred choice for luxury lighting solutions, setting the standard for quality, innovation, and customer satisfaction.

INNOVATION IS AT THE HEART OF EVERYTHING EUROFASE DOES

The Eurofase design team continuously explores new concepts and technologies to create lighting solutions that are not only beautiful but also energy-efficient. They pride themselves on their ability to stay ahead of industry trends and deliver products that inspire and delight all customers.

INTERIOR LIGHTING

Eurofase are masters of modernist design and functionality. They offer a stunning selection of unique LED designs that will make a bold statement in any interior setting. Alongside glass and metal, Eurofase also uses premium quality alabaster in some products. The beautiful veined patterns of this natural stone is sure to enchant and mesmerise all who see it.

VIVIEN CHANDELIER
QN-VIVIEN-P-L-BK

SERAPH

The kinetic wings of the Milwaukee Art Museum spread and contrast energy in the same way Seraph distributes light. This compelling display of form and motion creates magnificent arrangements of linear light.

PALMAS

To create a string of natural pearls of the same size is a painstaking process that requires years of experience. Replace that hand-knotted string with a shaft of light and surround it with ribbed spheres and the same timeless elegance can now add quiet flair to interior fashion. That is Palmas in all of its configurations.

KEPLER

Solid blocks of alabaster stone have been cored and turned into spheres, the naturally occurring deposits of iron oxides in the soft calcite stone leave trails of clouding and veining. As a result, each individual shade is a unique beauty to behold.

Please note: high variance in stone appearance is to be expected.

QN-RIVAMAR-M-BLK-GD

RIVAMAR

Inspired by nautical and coastal designs, the Rivamar collection features a rich gold cage and lantern form. A beautiful contrast between the black and gold finishes elevates its style, incorporating an alluring elegance that will fit delightfully into your space.

- Lighthouse inspired design
- Ribbed clear glass
- 3 year finish warranty (10km coastline exclusion)
- **FINISH:** Black and Gold
- **MATERIALS:** Aluminium, Steel, Clear Ribbed Glass

QN-RIVAMAR-M-BLK-GD

Code	Description	Height	Width/Dia.	Projection	Lights
QN-RIVAMAR-S-BLK-GD	1 Lt Outdoor Wall Light Small	335mm	153mm	184mm	1 x 60W E27
QN-RIVAMAR-M-BLK-GD	1 Lt Outdoor Wall Light Medium	411mm	153mm	184mm	1 x 60W E27

KABO

Influenced by the curve of an ocean wave, Kabo is an accent exterior light that gives a beautiful effect when lit. Integrated LED light is pushed through the length of the curved clear seeded glass panel to result in a soft and elegant lighting solution.

- Solid backplate for easy install
- LED light creates soft glow
- 3 year finish warranty (10km coastline exclusion)

- **FINISH:** Textured Black
- **MATERIALS:** Aluminium, Clear Seeded Glass
